CONFERENCE PAPER ABSTRACT

NAME OF PRESENTER:	Sue Jackson-Stepowski
TITLE OF PAPER:	The Shared Built Heritage of Easter Island
THEME:	<i>Theme 2: Cultural Landscape Practice and Management</i>
PAPER ABSTRACT:	
<p>The Rapa Nui people of Easter Island call sheep “namoi”. Why? In the centre of the Island is a most unexpected place that tells a different, darker story of the Island’s more recent past, but one the local people would like to interpret to tell visitors, and as a means of expanding tourism activities. Tourism is the Island’s main source of income. By broadening the range of Island activities not only encourage visitors to stay longer on the Island but also expands the Island’s heritage.</p>
